FIG. 1

FIG. 1 is a schematic diagram of a vehicle interior and a detailed view of a control device. The vehicle interior shows a front seat (1), a rear seat (2), and a control device (3) mounted on the rear seat. The control device (3) is a rectangular unit with a circular button (4) and a rectangular button (5). A detailed view of the control device (3) shows a rectangular body with a circular button (4) labeled 'LOCK' and a rectangular button (5). A lever (6) is attached to the side of the body. A shaft (8) extends from the top of the body, and a handle (9) is attached to the end of the shaft.

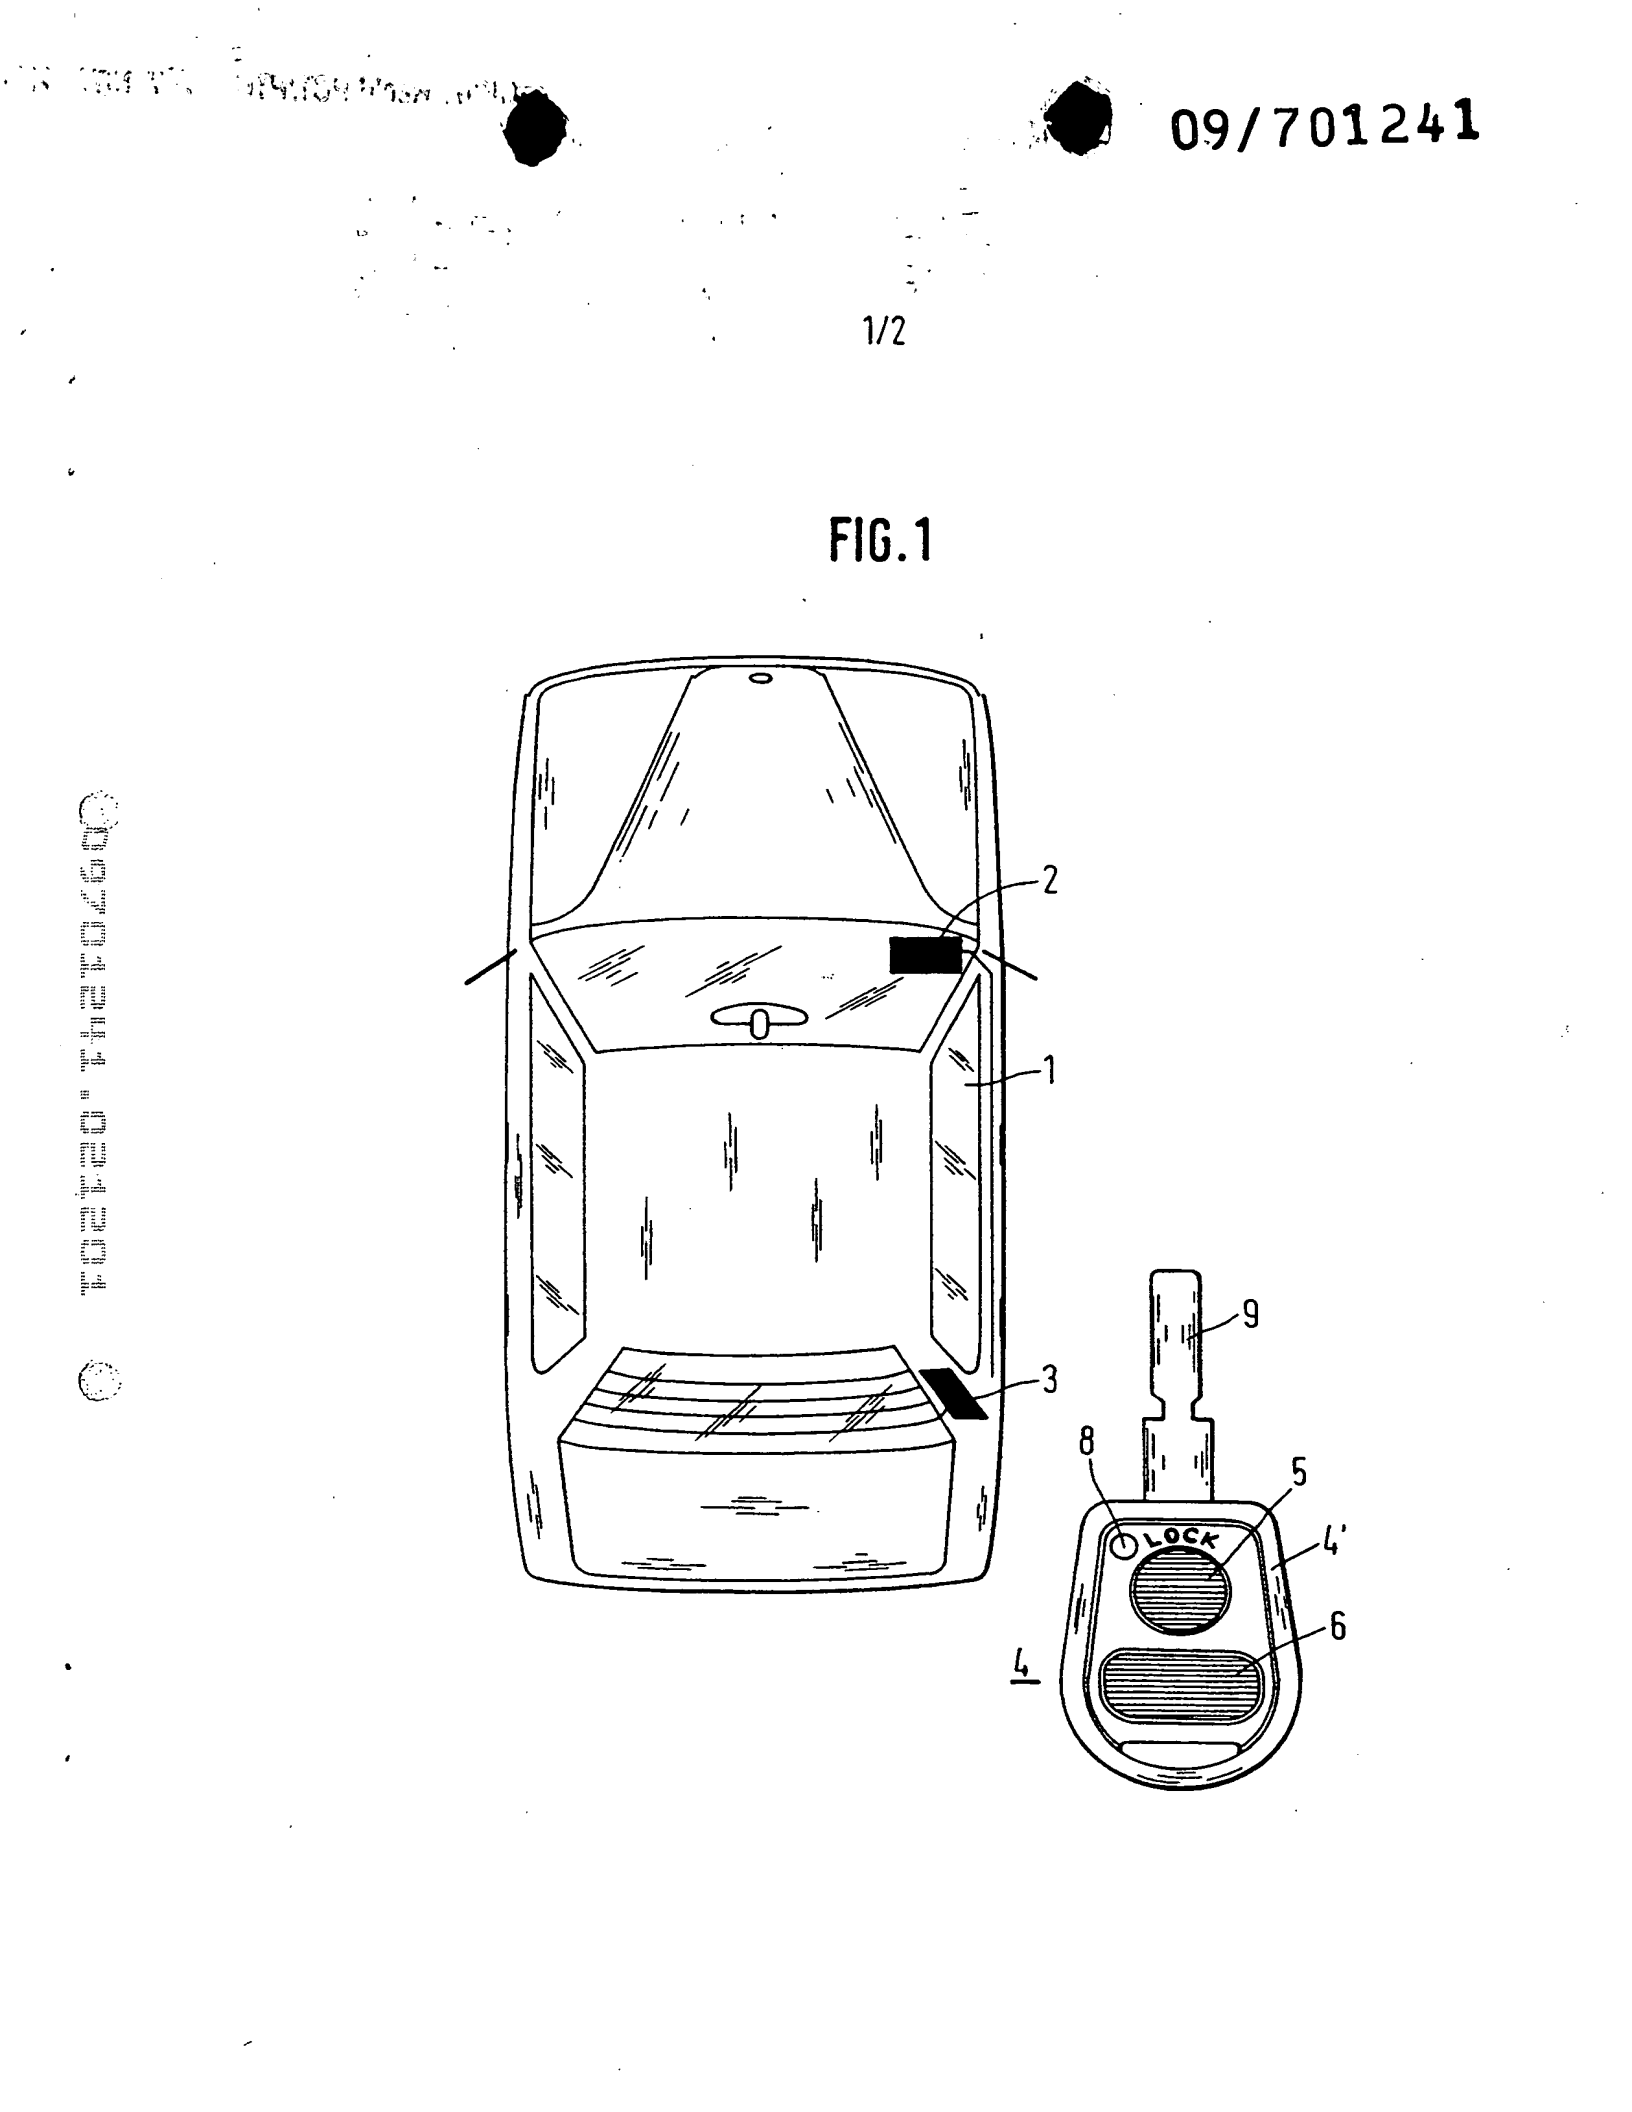

FIG. 2
